

VULCANO^{IONIC} 3

2 200 W
16.5 cm only!

The Vulcano V3 was created in the tradition of Italian craftsmanship and genuine engineering.

Powerful 2 200 W made in Italy high-performance professional dryer with a very beautiful finish that features a high-performance long-life AC motor for 166km/hr air speed, a very high drying coefficient and therefore ultra-fast drying results. 1 438 Pa air pressure makes Vulcano V3 deliver unfailing efficiency and long-lasting perfect styling results.

Its superior build quality and ultra-compact design (16.5 cm long) for comfortable handling and maximum control ensure this dryer truly delivers professional performance and style. Its lightweight reduces muscular tensions.

Light & ultra-efficient

2 200 W
530 g
Long-life high-performance AC motor
Air speed: 166km/h
Air pressure: 1 438 Pa
Drying rate greater than 6 g of water dried per minute
Airflow: 89 m³/h

Flexibility & control

6 heat and speed settings.
Cold air switch for perfect hold and long-lasting results.
Two narrow concentrator nozzles 6 mm x 60 mm and 6 mm x 75 mm with venturi effect for more versatility while styling.

Hair care

A central ionic generator allows an in-depth action of the millions of negative ions generated and decreases tension due to static electricity at the surface of the hair.
Thanks to the ionic technology hair gets smooth, shiny and much easier to disentangle and style.

Comfort & balance

Vulcano V3 is 16.5 cm only from its air outlet to its rear filter.

Its ultra-compact ideally balanced design and its lightweight make it perfect for the salon and help relieve muscular tensions in the forearm in order to fight repetitive strain injuries and occupational diseases.

BaByliss^{PRO}

Innovative premium technology

Features:

- Powerful: 2 200 W
- Long-life high-performance AC motor
- Ionic technology
- Air speed: 166km/h
- Air pressure: 1 438 Pa
- Lightweight: 530 g
- Narrow concentrator nozzles 6 mm x 60 mm and 6 mm x 75 mm with venturi action : +20% power
- Drying rate greater than 6 g of water dried per minute
- Airflow : 89 m3/h
- Removable rear filter for easy and quick cleaning
- 2.70m professional power cord and suspension ring
