

Sleek Expert

Limited Edition

The ultra-thin profile of this straightening iron makes it exceptionally lightweight and easy to work with. The extra-long 24 mm x 120 mm plates reach up to 230°C and allow for wider sections to be straightened, boosting speed and effectiveness while eliminating hand fatigue and increasing styling flexibility.

It can also be used for perfect curl creation.

The Sleek Expert is the perfect combination of straightening with the possibility of curl creation. All hair styles in just one wink.

BaBylissPRO®

Innovative premium technology

EP TECHNOLOGY 5.0

For plates:

1. 3 x harder & longer lasting*
2. 3 x smoother*
3. hard-wearing to chemicals
4. lasting & perfect straightening
5. hair respected & sublimated

For perfect, long-lasting results:

- preserves the integrity of the hair
- hair is soft and shiny
- even heat distribution makes faster styling results that last longer

For intensive professional use:

- perfect resistance to wear-out, chemical products and high-heat
- even smoother plates
- time and energy savings

Perfect results

The hi-tech heating element provides even heat distribution all through the plates

The high performance of the appliance allows use on any length of hair even the longest one and its ultrathin design lets it get as close as possible to the head for use on short hair

Temperature control from 115°C to 230°C allows use on any type of hair from the most fragile to the most difficult one, from the thinnest to the coarsest one

- ▶ perfect straightening for all hair types from natural hair extensions to ethnic hair

The Sleek Expert also creates perfect curls
