Flexibility & control

6 heat and speed settings.

Cold air switch for perfect hold and long-lasting results.

Two narrow concentrator nozzles 6 mm x 75 mm and 6 mm x 90 mm for more versatility while styling.

Hair care

A central ionic generator allows an in-depth action of the millions of negative ions generated and decreases tension due to static electricity at the surface of the hair.

Thanks to the ionic technology hair gets smooth, shiny and much easier to disentangle and style.

Comfort & balance

LUMINOSO+™ dryers' lightweight and ideal balance make them perfect for the salon and help relieve muscular tensions in the forearm in order to fight repetitive strain injuries and occupational diseases. Powerful 2100W made in Italy professional dryers with a beautiful finish that feature long-life AC motors for outstanding air speed and fast drying results.

Their superior build quality with a smart, streamlined design for comfortable handling and maximum control ensures these dryers truly deliver top professional performance and style.
