

• EXTREMELY POWERFUL • EXTREMELY EFFICIENT • INCREDIBLY LIGHTWEIGHT

Ultra-fast & powerful High drying performance

2 200 W

Turbo function booster of power and care

EDM TECHNOLOGY 5.0
electronic **DIGITAL** motor

FERRARI DESIGNED ENGINE

- > Faster revolutions than a traditional motor
- > Greater compactness and reduced weight
- > 5,000 hours lifespan
- > No carbon brush
 - Significantly improved energy yield
 - No carbon residue emission: no air pollution

6.10 g of water dried per minute

Ultra-fast drying = time and energy savings

25% faster

22 500 revolutions of motor per minute

91 m³/h air flow

+30% air speed

194 km/hr

RAPIDO

BaByliss**PRO**[®]

Innovative premium technology

www.babylisspro.com

Ultra-precise High performance of styling

+ 70% air pressure (1 750 Pa)

Long-lasting results guaranteed

+33% flow precision

3 concentrator nozzles

- > 4 x 70 mm: the thinnest in the market for optimal, controlled air pressure and even more efficiency on coarse hair and structured styling.
- > 6 x 60 mm: straight, narrow nozzle, perfect for straightening.
- > 6 x 75 mm: beveled, large nozzle for smoother blow-drying.

Lightweight & comfort in use

399 g

> The lightest high-performance professional dryer in the world

Perfectly shaped grip along the axis of the centre of gravity

> guarantee of a balanced and comfortable hold without tension in the forearm

The RAPIDO is referenced PRECISEO, program implemented by the French Health Insurance in partnership with the Hairstyling Institutions in terms of occupational diseases and musculo-skeletal disorders prevention.

Silencer included

> Less noise pollution

Sublimates the beauty of the hair

without ionic with ionic

True ion generator emits millions of negative ions to eliminate frizz and seal the hair cuticles for shiny, healthy-looking hair.

The Rapido's temperature level has been optimized to offer the best combination between drying performance, styling performance and hair fiber care. The Rapido creates healthy-looking hair.

Not all hot air is the same!

Features

* Includes diffuser

Gently dries wavy and curly hair without giving too much volume.

* 12 speed and temperature settings offer the best solution for all hair types and styles.

* Cool air button to set the style.

* 2.80 m tangle-free power cord.
