

PROFESSIONAL GROOMING SET **GUNSTEELFX**

EDM TECHNOLOGY*

The BaBylissPRO®4Artists combi set **GUNSTEELFX** FX8705E, with heavy duty clipper and trimmer, delivers high powered cord or cordless use with advanced lithium-ion technology for sustained power performance.

Professional clipper featuring a Ferrari Designed high-torque digital motor for supreme power and faster blade speed to ensure effortless, high quality cutting through longer, thicker hair. The clipper also features 5 position taper control, 8 comb attachments and an all-metal housing design for ultimate professional durability and usage.

Professional trimmer features a choice of 2 interchangeable blades with zero gap adjustment for precision and control. It has a long-life battery and super-fast charging to guarantee sustained performance for the ultimate in precision detailing, with high-torque brushless motor for power performance and a clean, close cut.

Both clipper and trimmer feature Japanese steel blades with super sharp cutting angle, allowing you to achieve a smooth, precise cut on all hair types.

Charging is made easy with the dual charging stand, allowing both the **GUNSTEELFX** clipper and trimmer to be charged at once.

With comfort in mind, the clipper and trimmer have been absolutely balanced to give you superior handling during use.
