

PROFESSIONAL METAL FOIL SHAVERS FOILFX02 - FOILFX01

The full-metal professional shavers FOILFX02 – FOILFX01 of BaBylissPRO®4Artists range are a perfect blend of luxury, design and high-technology.

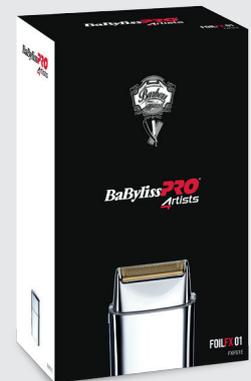

They have been designed to achieve perfect trims and shades, becoming the perfect tools for extra-close shaves, for cleaning hairline and offer clean, net results.

Their ultra-thin floating foil system delivers a safe, close shave without irritating the skin. They are very comfortable to use thanks to their perfectly balanced design. Their full-metal housings are elegant but not only, they are also very resistant.

The shaving foil units can be removed very easily for easy regular maintenance.

After use simply replace the protective cover of the shaver in order to turn it off.

With BaBylissPRO4Artists metal foil shavers FOILFX02 – FOILFX01 you can fuse the blend on bald fades, shave a whole head on very short hair. They enable you to even up, clean up the neckline, eliminate stubble and stray hairs from the face for clean shaving and a perfect irritation-free finish.
